THIS Company offers unrivaled facilities for the insurance of Buildings and Personal Property against fire. The advantages offered are security beyond the reach of opponents, the real estate insured is by law bound for the amount insured in the event of loss, the power of expropriation is in the hands of the insured, the policy is owned and entitled to one vote. The cost of insurance does not exceed one-third as much as the Stock Companies, requiring nothing of the increased security and the insurability in case with which losses are settled. During the last five years, this Company have issued 3600 policies, and made but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to the State.

READ AND BE CONVINCED.
[From the Boston, Dec.]

The Editor said, Dec. 34: "Dr. Hootland's celebrated Gerzinal Bitters, for the cure of Liver Complaints, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most powerful remedies of the day. The Bitters have been used by thousands, and a friend at my elbow says he has himself reaped an effectual and permanent cure of Liver Complaint from the use of this remedy."

We are convinced that, in the use of these Bittens, the most
 instant constant gain in strength and vigor, a fact worthy
 great consideration, is secured, and the system is so
 and can be used by persons with the most delicate and sensitive
 with safety, under any circumstances. We are especially
 from experience, and to the afflicted we advise their use.

The Daily Sun says:—"It is one of the best medicines for Jaundice and Liver Complaint."
New's Gazette says:—"Dr. Hootland's German Balm we know to be an excellent article, nullifying in every respect what is set forth by the advertiser."
The Evening Herald writes:—"Dr. Hootland's German Balm is said to be an invaluable remedy for Jaundice, Dyspepsia, and Nervous Complaints."
The Daily News, July 24, says:—"A Medicinal"

The Dispatch says:—"As a medicine for Liver Complaint, Dr. Jendrie's Bile-Beautifier, and Druggery, it has been found invaluable, effecting cures, and thoroughly restoring the system, after the most distressing and alarming attacking disease, when almost all other medicines have failed."

That this medicine will cure Liver Complaint and Druggery, no one can doubt, after using it as directed. As a general remedy upon the economy of the liver, it is preferable to all other remedies, and is especially adapted to bilious colic in all bilious diseases—their cause being removed. They can be administered to Females or Infants with safety and reliable benefit, at any time.
